Executive Session - Closed to Public

Statement for Entering Executive Session "As the presiding officer, I am calling the board into executive session under ORS 192.660(2)(a), which allows us to discuss personnel matters. This session is closed to the public, but members of the news media may attend, except in cases involving litigation or other exempt records. However, media representatives are reminded that they may not disclose confidential details discussed during this session. No final decisions will be made during the executive session; any action required will occur in an open meeting. Board members, please ensure that all discussions remain within the scope of the permitted topics. Thank you."

NEW BUSINESS

- Executive Session Opened: Interim Fire Chief Interviews
- Executive Session Ended: Re-opened to the public.
- Discussion and voting of results of the interim Fire Chief Interviews. (A decision can be tabled until additional discussion can be completed.)

A vote to close the meeting for the public per ORS will be needed.
